The petitioner has challenged the notice of provisional assessment dated 12.1.2023 under the provisions of the Electricity Act, 2003 and has prayed for a direction to the respondents to restore his electricity supply.

The notice of provisional assessment grants fifteen days time to the petitioner to file objection against the same. The petitioner has already filed objection on 30.3.2023.

No case is made out to interfere with the notice of provisional assessment at this stage.

The petition is disposed of by providing that the respondent-Electricity Department shall conclude the proceedings by passing order of final assessment, strictly in accordance with the procedure prescribed under the Electricity Supply Code, 2005.
