There appears to be a dispute with regard to liability of petitioner to pay electricity dues.

Such dispute can always be resolved if the petitioner approaches the Executive Engineer concerned by making an appropriate application in terms of Clause 6.5 of the U.P. Electricity Supply Code, 2005. In the event such approach is made by the petitioner within two weeks from today alongwith a certified copy of this order, the concerned authority would get the facts verified and would pass appropriate orders, within a further period of six weeks, thereafter.

We, however, provide that if the petitioner makes a representation within two weeks in terms of the liberty granted, no coercive action would be taken against him till appropriate orders are passed on his representation/application under Clause 6.5 of the Code.

Writ petition, accordingly, stands disposed of.
