· **Interim stay of suspension; listed December 2025**

HEADNOTE

Junior Engineer/SDO suspended for delay in releasing a consumer connection: High Court stays the suspension pending the writ, noting admitted right-of-way hindrance (U.P. Electricity Supply Code, 2005 cl. 4.4(e)) and the officer's undertaking to cooperate in the enquiry.

FACTUAL SUMMARY

The petitioner, a Junior Engineer working as Sub Divisional Officer, challenged his 29 October 2025 suspension by the Managing Director, Madhyanchal Vidyut Vitran Nigam Ltd. A complaint alleged delay in releasing a consumer connection caused crores of departmental loss. He pleaded an unblemished record, only a supervisory role, and that delay was due to right-of-way hindrance covered by Supply Code clause 4.4(e). The department said he had to look after connections under his supervision and was rightly suspended.
