

Mahipal Alias Mahipal Singh v. State of U.P.

High Court of Judicature at Allahabad · Division Bench · 13 August 2009 · WRIT - C No. 34848 of 2009 · **Objections under cl. 8.1(b) to be considered; recovery stayed pending assessment**

HEADNOTE

In a theft proceeding the consumer may raise objections before the Executive Engineer under para 8.1(b) of the U.P. Electricity Supply Code, 2005, before final assessment. The High Court directed that if objections are filed they be considered expeditiously (if possible within one month) and that any recovery certificate or citation issued in the meantime remain suspended until that assessment is passed.

FACTUAL SUMMARY

Mahipal applied for a new connection and deposited the estimated abstract cost. The estimate put the LT line at 270 metres; the proposed site was not less than 200 metres from Raj Pal's supply. He was still not connected. A checking party alleged he had tapped Raj Pal's line with a 10-metre cable. He denied any supply within 10 metres and said the recovered cable could not have made the tap. He petitioned the High Court while facing that theft proceeding.
