High Court of Judicature at Allahabad · Division Bench · 26 April 2011 · WRIT - C No. 24092 of 2011 · **Writ disposed of: deposit claimed dues in two months, restore within 72 hours.**

HEADNOTE

Clause 6.5 of the U.P. Electricity Supply Code, 2005 provides that a billing complaint is considered on deposit of the entire claimed amount or charges calculated on the average of the preceding six months' bills, whichever is less. The petitioner having undertaken to deposit the entire claimed sum, the Court fixed two months from the certified copy for deposit, required a restoration application thereafter, and directed the licensee to restore supply without delay and not later than 72 hours of that application. The order is irrespective of any theft proceeding. A later application for more time to pay was refused.
