

Amir Ahmad v. State of U.P. & 4 Others

Allahabad High Court · Division Bench · 16 September 2025 · 2025:AHC:164765-DB · WRIT - C No. 31054 of 2025 · **Writ petition disposed of (auction-purchaser must clear dues under Clause 4.3(f))**

HEADNOTE

An auction-purchaser of premises sold on an 'as-is-where-is' basis under the SARFAESI Act is bound by Clause 4.3(f)(i) and (viii) of the U.P. Electricity Supply Code, 2005 to ascertain and clear outstanding electricity dues on the premises before a new connection is released; a recital in the sale certificate that the property is free from encumbrances, or that the vendor did not consume electricity, does not displace the statutory charge. Following *K.C. Ninan v. Kerala State Electricity Board*, a utility may, by subordinate legislation or supply code, create a charge for arrears recoverable from a subsequent transferee — the principle of 'buyer beware' applying to the auction-purchaser.

Liability of an auction-purchaser for arrears attaching to the premises

QUESTION

Is an auction-purchaser under SARFAESI, holding a sale certificate declaring the property free from encumbrances, liable to clear the previous owner's electricity arrears before obtaining a new connection?

HOLDING

Yes. Clause 4.3(f)(i) & (viii) place the duty to ascertain and clear outstanding dues on both seller and purchaser and permit the application to be processed only on clearance. The auction-purchaser, buying 'as-is-where-is', is fixed with 'buyer beware' and cannot escape the statutory charge by relying on the encumbrance-free recital or the vendor's non-consumption. ¶ 3, 6-7

LIMITING FACTS

SARFAESI sale certificate dated 24.4.2024 recited the property free from all encumbrances; the supply company refused a connection for arrear dues attached to the premises.
